

Working through Children of Promise . . .

Children Helping Children

Children love to help other children. They are very effective at it, too! When children see a need, they respond with their whole hearts. Their natural generosity and compassion bubble forth, often in surprising ways.

Children of Promise is privileged to partner with individual children and groups of children (such as VBS groups, Sunday School classes, etc.) in bringing life-giving relief to needy children all over the world. If you would like to join in this mission effort, we welcome you!

Here are ways that you can help:

Mosquito Nets

Many children around the world suffer from malaria. Some children even die from it. When they sleep under mosquito nets, they have a better chance of avoiding malaria. So, mosquito nets are a great blessing! Each treated mosquito net (a net that is specially treated with insecticides) costs approximately \$11 each. By providing these nets, you are helping children stay healthy and stay alive!

Bibles

There are many children who do not have their own Bibles. The cost of a Bible can depend on which language it is written in. Usually Bibles written in more common languages such as English, Spanish, or German are less expensive than Bibles written in languages such as Lunganda, Swahili, etc. The average cost of a Bible is \$8 each.

Emergency Fund

Children sometimes have serious medical conditions which require surgery or advanced treatment. Regular sponsorship amounts for health sometimes cannot cover these costs. That is why we have the Emergency Fund to help children with more serious medical concerns. You can donate any amount of money to this fund.

Sponsor a Child

Sometimes groups raise enough money to sponsor a child. This costs \$25 a month or \$300 per year. In this way, you can provide food, health care, schooling, and spiritual nurture for a child who will write to you and pray for you.
