INDEPENDENT AUDITOR'S REPORT

Board of Directors
Children of Promise, Inc.
Anderson, Indiana

We have audited the accompanying financial statements of Children of Promise, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016 and 2015, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children of Promise, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

CHILDREN OF PROMISE, INC.

NOTES TO FINANCIAL STATEMENTS

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***Organization*

Children of Promise, Inc. was organized in February of 2002 as a nonprofit organization. The purpose of the Organization is to provide assistance to children in ministries of the Church of God outside the United States. The Organization provides assistance in the development of the spiritual, physical, educational, emotional, and social lives of these children. Donors contribute funds for the specific purpose of sponsoring a child in a program in one of twenty-eight countries. Eighty percent of these funds is forwarded to that specific program for distribution to the child by the program director in the form of education costs, uniforms, school supplies, food, medical care, or nutritional supplements. Programs in each country are administered by Church of God leaders or missionaries. Twenty percent of sponsorship payments is retained for management expenses in addition to the unrestricted contributions received for general operations.

Basis of Accounting

The financial statements of Children of Promise, Inc. have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States and accordingly, reflect all significant receivables, payables, and other liabilities.

Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board. Under *FASB ASC 958, Not-for-Profit Entities*, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets result from all activities for which no payer or donor-imposed restrictions were stipulated beyond the general stated purpose of the Organization.

Temporarily restricted net assets are those contributed with donor stipulations for specific operating purposes or programs, those with time restrictions or those not currently available for use until commitments regarding their use have been fulfilled or lifetime beneficiary interest have ceased. When a purpose restriction is accomplished or a time restriction ends, temporarily restricted net assets are released to unrestricted net assets and reported in the statement of activities as satisfaction of purpose restrictions.

Permanently restricted net assets are those restricted by donors in perpetuity. Income received on those funds may be designated by the agreement for specific ministry purpose or may be available for unrestricted use by the Organization.

CHILDREN OF PROMISE, INC.

NOTES TO FINANCIAL STATEMENTS

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)*Functional Allocation of Expenses*

The costs of providing programs and administrative functions of the Organization have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated to the respective program, administrative, and fund raising functions to which the expenses relate.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

Acquisitions of property and equipment in excess of \$1,000 are capitalized. Property and equipment are valued at cost for items purchased and at fair market value at date of gift for items donated. Depreciation is computed on the straight-line method over the estimated useful lives of the assets which range from 5 to 39 years.

Investments

In accordance with *FASB ASC 958, Not-for-Profit Entities*, investments are reported at fair value. Fair value is determined by using quoted market prices, where available. Where not available, the present value of estimated, expected future cash flows, or another reasonable method is used. No investment or group of investments represents a significant concentration of market risk.

Investment interest, dividends, and realized and unrealized gains and losses are reported in the accompanying statement of activities as increases or decreases in net assets.

Revenue Recognition

Contributions and grants received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

CHILDREN OF PROMISE, INC.

NOTES TO FINANCIAL STATEMENTS

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)*Income Taxes*

The Organization has received a determination from the U.S. Treasury Department stating that it qualifies under the provisions of *Section 501(c)(3)* of the *Internal Revenue Code* as a tax-exempt organization and is not considered to be a private foundation. Accordingly, no accounting for federal or state income taxes is required in the accompanying financial statements.

The Organization's federal and state income tax returns are subject to examination by taxing authorities, generally for three years after they were filed.

Cash and Cash Equivalents

For purposes of the financial statements, Children of Promise, Inc. considers all monies in banks and highly liquid investments with maturity dates of less than three months to be cash and cash equivalents. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

Donated Materials and Services

The Organization receives donated services from a variety of unpaid volunteers assisting the Organization in its mission. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort have not been satisfied.

Advertising Costs

Advertising and promotion costs are generally expensed in the year incurred and are reported in the statement of functional expenses. Costs totaled \$7,090 and \$14,301 for the years ended June 30, 2016 and 2015, respectively.

Reclassification

Certain prior year amounts have been reclassified to conform with current year presentation.

Subsequent Events

Management has evaluated subsequent events through the date on which the financial statements were made available to be issued. The date is the same as the independent auditor's report date.

3. CUSTODIAL INVESTMENT

The Organization is custodian over an investment account held for the Tanzanian support and relief program. The account was established to hold and distribute funds for the program. The funds are available only for Tanzanian support and are distributed at the discretion of the Tanzanian support staff. The investment is not considered to be an asset of the Organization; therefore, no account balance has been included in the financial statements. The investment account balance at June 30, 2016, was \$121,569.

FASB ASC 820, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset either directly or indirectly, and Level 3 assets have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs were not used.

Level 1 Fair Value Measurements – The fair value of equity securities, debt securities, and exchange traded funds are based on quoted market prices.

Return Objectives, Risk Parameters, and Strategies for Achieving Objectives

As specified by the endowment agreement, the Organization invests all Edgar Guyer endowment donations in Vanguard Energy fund shares (VGENX). The Organization's primary investment objective is to provide a rate of return sufficient to support the required distributions from the fund.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Organization's spending policy for the funds are specified by the endowment agreements. The Edgar Guyer endowment requires a distribution of 5% of the endowment each January. The distribution is to remain constant regardless of the endowment's investment performance. The annual distribution is to be used to provide full annual sponsorships for children according to the purpose of the endowment. Remaining annual distribution monies will be allocated to the unsponsored children fund for an Asian country determined by the executive director of the Organization.
