- Pray for safety and protection for our program director and her family in Nicaragua, as well as all of the sponsored children there, amidst the turmoil and violence prevalent in the country.
- Pray for Colleen Stevenson as she recuperates from her recent surgery. Pray for healing and strength for her as she continues her recovery journey.
- Pray for the transition of leadership at The Shelter Hostel in Cuttack, India.
- Pray for our effort to promote sponsorship and prevent trafficking this fall. Pray that people will feel compelled to sponsor a child and partner with us as we fight against the plight of human trafficking.
